

WHAT IF? WHY NOT? WHO ELSE?

These are the questions we have asked ourselves, the food industry and technology suppliers and together, we focus on the answers as FoodTech creates a unique line-up of exhibitors and events on 27-29 October 2026.

WOULD YOU LIKE TO BE PART OF THE FUTURE OF FOOD TECHNOLOGY?

FoodTech is the premier destination in the Nordic Region for production companies within the food industry. At FoodTech the entire industry gathers to discover innovative solutions and exchange ideas with partners and customers.

As an exhibitor, you become part of a universe where firsthand experiences and face-to-face meetings establish the foundation for new business connections, presenting your innovative solutions.

Sectors

- Processing, Components
- Packaging, Logistics
- Machinery, Automation, Robotics

BECOME AN EXHIBITOR

- 1 Be visible**
FoodTech is Northern Europe's largest expo for the food industry and the obvious place to promote your brand and present new products and initiatives.
- 2 Develop your business relationships**
Good relationships require effort. FoodTech offers you the time and space to talk to business partners, colleagues and perhaps you will meet your next customer or key employee?
- 3 Learn more**
Even the best can be better. At FoodTech, you will find the most highly skilled experts in many areas of the food industry together with the recent start-ups with new and unique perspectives. FoodTech is a venue where good ideas meet and develop.
- 4 Strengthen your sales**
Industry professionals visit FoodTech to acquire knowledge and find new solutions. It is the perfect platform for dialogue with both new and existing customers in an inspiring setting.
- 5 Networking with decision makers**
FoodTech attracts the most important and prestigious actors in the industry. Seize the opportunity to you meet the influential people in the food industry. Perhaps you can inspire each other?
- 6 MCH365**
Strengthen your industry-relevant network – 365 days a year with FoodTech exhibitor platform, where your digital company profile will provide increased branding of your company.
